Thank you Audrey!

Looking forward to catching up on the work of the committee.

Vice-chair Farhan said he had never seen these minutes before.

Would it be possible to have these forwarded to all the members of the committee?

Hello, Gregorio and Ashna. Welcome to COSM.

Our goal is to meet by the end of the month but there is nothing firm yet. You'll of course get the invite and agenda once the date and time are set.

You can request copies of meeting minutes from Audrey Venderbush, who is copied on this message.

Sincerely,

Hi Dr. Watson and Farhan,

My name is Gregorio Olivares, I am a local freelance journalist, the Editor-in-Chief of *The Retrograde*, and a recent appointee to the Committee on Student Media.

It is my understanding that currently the only governing document for the committee is [UTDPP 1124](#).

I would love to know what progress we have made so far towards fulfilling our committee charges, particularly regarding the first charge which requires the creation of "bylaws for all student media outlets consistent with this policy and Constitutionally protected First Amendment rights."

In addition to that and any meeting minutes from prior sessions of the meeting, I would appreciate it if you could tell me when the next meeting of COSM will be.

I am happy to meet and catch up on the business of the committee thus far if needed.

I have CCed my fellow new student member Ashna Karia as well.

Best regards,
